13 Year Old Replacement Player Sign Up Form – Spring 2007

Iowa City Babe Ruth Baseball maintains a roster of 13 year old players who are interested in playing as “replacement players” when a team other than their own will be short and required to forfeit a game. The idea is to minimize the number of forfeits. Replacement players may be called on short notice and asked if they would like to play for a team in need of a player. Players will only play within their league, so NL players will only be asked to play for NL teams and AL players only for AL teams. Only 13 year old players are eligible for this roster.

In order to be placed on this roster, a player MUST return the lower portion of this form to his coach or mail to the address listed. Replacement players are assigned in the order in which they are available on the roster, a team cannot request a specific replacement player. Any player may decline to play for a team at any time. That player then goes to the end of the list to await his next turn to be asked.

In order to play as a replacement a player must be assigned from the list by a Babe Ruth Board Member. Teams may NOT directly ask a player to join them without using established procedures.

Any team using a replacement player MUST play that player in the field for every inning of the game in which he participates. He may not be benched except by his own request. Replacement players may NOT be used as pitchers or catchers.

Any questions about this program may be directed to Babe Ruth Board President Dave Redlawsk at 354-4532.
